

Prayer for the Cavanis Vocational Year

God, Father of love and goodness,
in creating the human being in your image and likeness,
you bestowed upon him the gift of life
and the vocation to holiness.

We praise you for the 220 years
of the priestly ordination of Fr. Marcos Cavanis
and for his witness of a life given to God
in favor of the Christian education of youth.

As we celebrate the Cavanis Vocational Year,
make us promoters of vocations
through the joyful witness of a life
that calls, accompanies, and prays for vocations.

Lord Jesus Christ,
pour into the hearts of the adolescents and young people of our communities
the seed of the vocation to Cavanis consecrated religious life,
so that, through the witness of our Founders,
they may feel the desire to leave everything in order to follow you,
becoming true fathers of youth,
with the mission of educating and forming
the minds and hearts of young people,
also in the digital context.

May your Holy Spirit move our hearts
in the establishment of a vocational culture,
cultivating vocations through prayer,
work, and the witness of life.

May Mary Most Holy, Mother of Vocations,
intercede with her Son Jesus
for a new vocational flowering in the Church
and in our Congregation.

Amen!
